

## Permission to Play

1. I understand that the state of Colorado now requires SHYLO to obtain my written permission in order for my dog to co-mingle (play) with other dogs and I hereby give that permission.
2. I understand that SHYLO is required to maintain proof of immunization on file and I certify that my dog/dogs are current on all shots including bordatella , and I will provide SHYLO with updated records as needed prior to each visit.
3. I understand the SHYLO will not allow my dog/dogs to play with non-social or aggressive dogs, but also understand that the occasional knick or scrape is the byproduct of play, and may rarely occur.
4. I expect that SHYLO will always use their best judgment to secure immediate care for my pet and may sometimes have to make decisions when they are unable to contact me right away.
5. I know that SHYLO will do everything possible to make sure that my dog is not exposed to anything of virological or bacteriological nature. I further understand though that when dogs play, just like when children play there is a greater chance of exposure to these elements.
6. I know that it is my responsibility to advise SHYLO of any medical problems that I am aware of. Further, I will advise SHYLO of any peculiarities such as fence climbing or digging. I will advise SHYLO of any illnesses or infections my dog has had in the 30 days before each visit.
7. I know and expect that SHYLO will take care of my dog with the same care and attention as their own dogs.
